UNIVERSAL BRAKE LINE PROGRAM

Midwest offers a complete custom brake line program for the builder that wants to fabricate his own lines. **Midwest brake line meets D.O.T. specification FMVSS-106 — approved for street use — 50 state legal.** High performance #3 stainless steel braided hose gives you the custom look you want with the performance feel you demand. Lines incorporate a Teflon® inner liner and chrome plated female swivel fitting to be used with the listed reusable adapter fittings. All Midwest brake hoses are **clear covered** to keep braid from scratching finishes. Top quality hose and fittings are attractively packaged to make these parts fly off the shelf. And a budget price tops off the complete program!

ALL PARTS SOLD EACH EXCEPT AS NOTED
